MAINTENANCE CORNER

We need to address this problem of missing window screens: You are required to maintain your window screens in good working order. This means that they need to be in place to function properly.

If we stop by and reinstall missing or displaced screens for you, there will be a \$10.00 service charge.

If the screen is damaged and requires repair work at the shop, the cost will range from \$10.00 to \$20.00 per screen.

If screens need to be removed to allow for air conditioner placement, you must FIRST receive permission from our Maintenance Supervisor.
