

## ONE WAY—ONE SIDE

Please remember that all of us need to observe the "ONE-WAY" and "NO PARKING" signs.

We have "ONE-WAY" streets at "Sunset Terrace" and "Park Homes"

Remember; All curbside parking is on the **left** side of the street.

For those of you who live at our "Park Homes" Complex; Dublin Street is a "ONE WAY STREET", and has been designated such due to the narrowness of the street. Recently we have been experiencing difficulty driving down Dublin Street because people are parking along the curbs on both sides of the street. Please spread the word to all of your friends and visitors that we need them to park on the **right** side of the street along the curb or in the designated parking areas.

**Violators are subject to have their vehicle towed away at the owner's expense**

## MAINTENANCE CORNER

Summer is here to stay so if you're like me, you are trying to find a place under a shade tree or the air conditioner if you can. WHEW!

As with all electrical appliances please make sure that your air conditioner is properly installed and functioning as designed. Also make sure all windows, doors, and other openings around the unit itself are closed and properly secured

If you happen to own an evaporative cooler that requires a water source, please help us conserve water by making sure that the water supply is properly connected. We want to keep an eye on excessive use and/or waste.

## COMMUNITY RESOURCE NUMBERS

Here are a few names and numbers of some agencies in town who have funding for emergencies. Maybe they can help with an electric bill etc.

## WE NEED YOUR HELP!

Here at BHA, your needs are important to us. We want to provide you with prompt courteous service. If for some reason we cannot provide you with a service within a reasonable length of time we will let you know immediately.

You can help us with our work load by keeping the property where you live clean and free of trash and debris. The more time we have to spend cleaning up and hauling debris, the less time we have to take care of your other needs. The really bad part is **if we have to clean up your trash** we will have to **charge you** for the service.

Fathers -- take heart, your day is coming, and you can be sure of getting at least one thing

-- the bills from Mother's Day.

**Father's Day is June  
the 19th  
Happy Father's Day!**
