

## Final Reminder:

It's OK to let the kids play under sprinklers but we can't have any kind of swimming pool on BHA property!

Continued violation of this rule is grounds for termination of your lease

Please do not have a receiver dish installed until after you have contacted the office.

If your installer does not get an approved location from the Housing Authority's Representative you may be asked to remove it. It is our understanding that you will be charged by your installer if they have to re-locate your dish.
